

COMMON USER FACILITY

Schedule of Rates

Effective 1 July 2024

The Land Development Corporation (LDC) provides its Common User Facility (Facility) for multi-industry use, with a 9 hectare hardstand area and an all-tides Barge Ramp with First Point of Entry certification. Featuring a strategic, secure location and offering 24/7 access and CCTV peace-of-mind for its users, the variety of uses includes fabrication, assembly, commissioning, maintenance and repair activities, along with many others. Usage is subject to Facility availability and occupancy.

Administration & Inspections	
<i>User Agreements are required for all provision of access to the Facility and are valid for specified time periods.</i>	
Item	Rate (ex. GST)
